
Sandbox Gazette

QUARTERLY

JANUARY 2025

ISSUE 1

The first edition of the Sandbox Gazette for 2025 has arrived. In this edition, we show the calendar of events, list feature cats, offer a heartwarming story, repeat information about micro chip registration, remind you about the approaching kitten season, present the statistical summary, furnish the final tally of the 2024 three-dollar campaign, acknowledge donations from Giving Tuesday, inform you about a new purchase, give the outcome of the cats' Christmas list, update you about the request for baked goods, tell you about the annual spring flower and plant sale and supply the order blank, provide initial details of the 2025 lasagna dinner and auction, notify you about the Easter pie and bake sale and furnish the order blank for the pie sale, remind you to register at Dorothy Lane Market and Kroger as supporters of The Tenth Life, display the monthly supply donations list, enlighten you about the past, current and future fund raisers, and give reminders.

Calendar of Events

Here is the calendar of events for The Tenth Life.

\$3.00 Campaign Begins	April 1 st
Easter Pie Orders Due	April 5 th
Easter Pie Pickup & Bake Sale	April 19 th
Flower & Plant Pickup Begins	May 6 th
Lasagna Dinner and Auction	August 10 th

Feature Cats

Beardsley, a special-needs cat from a previous newsletter was adopted and has gone to a special home where he is adored. He has three dog "brothers."

From the last newsletter, three of the feature cats have been adopted. Lucky and Major were adopted by a

couple who had adopted from The Tenth Life several years ago. They chose Lucky and Major and are so thrilled with their choice.

Donut has been adopted by a couple. She is a quiet cat and fits into their household perfectly. She was told when she first arrived that she would not be allowed to sleep on the bed. That lasted one night, and she now enjoys sleeping on the bed with her new parents. She is happy and comfortable. We are so happy for her.

The feature cats for this newsletter are Popeye and Cutie. Popeye came to The Tenth Life with a severe injury. We think that he was hit by a car and the pressure of the injury caused his eye to literally pop out of the socket and was on his cheek. His mouth and paws were bloody, and he could not shut his mouth. We were concerned that his jaw was broken. His eye has been removed, and he is recovering from his injuries. He is solid gray, very sweet, and about a year old. We cannot even imagine the pain he suffered. He loves every one and loves to be held. What a special boy!!

Cutie is a pale calico, who was born with her paw missing on her right rear leg. It never slows her down. Cutie is nearly a year old and gorgeous. She has a sweet personality and is fairly small. She was found in a home with two other cats, after their owner had passed away. She gets along with her roommates and loves to play. She is handicapped, but not in her mind. She acts like a typical kitten.

Both are spayed or neutered, tested for viruses, fully vaccinated, treated for parasites, and micro chipped. Please call for an appointment to visit these or any other cats at The Tenth Life.

Heartwarming Story

Our heartwarming story for this newsletter is about a current resident. Her name is Alexandra. She is a long-hair pale calico. She arrived at The Tenth Life at the age of one year and was totally feral. We could not touch her, but as the years progressed, she learned to accept being petted on her terms. She has always been great with the other cats and loves to cuddle with them. With her advancing age, she has developed some health issues. She now gets canned food twice a day, eats all of hers and will clean any other cat’s bowl. When you enter her room to feed her and her friends, she constantly tells you that you are not getting the food ready fast enough. Her hearing has gone bad so she yells when she meows. You can hear her throughout the building. She is now nineteen years old and still demanding. She is the oldest resident at The Tenth Life. We are so glad that she is still making her demands known and enjoying living at The Tenth Life.

Micro Chip Registration

Micro chips are so important for all pets. If your pet is lost, having a micro chip does not guarantee finding your pet, but it can certainly be helpful if someone finds your pet and has it scanned for a chip. Of course, the micro chip must be registered with the company to be beneficial. For cats adopted from The Tenth Life, we register the micro chip for you so that registration is not forgotten with the excitement of taking home a new cat(s). The micro chip company that The Tenth Life uses is Home Again. You will receive either a letter or an email from them a few months after the adoption telling you the registration has expired. This is not true. When we order the micro chips, we order with lifetime registration. The only things that expire are the auxiliary options, such as insurance, help with advertising that your pet is lost, etc. At the very end of the letter or

email, will be the information that registration has not expired, but only the extra benefits. Please do not fall for this trick and send money for registration, unless you want these extra benefits. If you have a pet that is not micro chipped, please consider having it done. Your veterinarian can do this for you. Further, there are now micro chips that have GPS tracking ability available.

Approaching Kitten Season

Although kitten season never seems to end with the milder winters we have had the last few years. It supposedly runs from about March to October. Unfortunately, when winters are milder, cats seem to continue to go into heat year around. With the gestation period being only sixty-three days, cats can have a few litters each year. With so many un-neutered females and males, there is such a surplus of kittens, that so many adults and kittens are put to death only because they were born. This is a tragedy. Please have all of your cats spayed or neutered as soon as your vet will do the surgery. If done early enough, you can prevent the females from going into heat and becoming pregnant. We spay or neuter our cats at The Tenth Life at four months which is usually before the first heat cycle. Cats in heat are miserable and they make their owners miserable also. There are so many advantages to having the males and females neutered. Please see the bottom of page eleven for the advantages of spaying and neutering and the bottom of page twelve for the results of not neutering cats.

Statistical Summary

The statistical summary for 2024 is provided This is a look at only a small piece of our services to help cats.

Adoptions	339
Sponsor cats	283
Volunteers	91
Aluminum	\$2,658
Pennies	\$1,203
Donation Cans	\$ 768

The Three Dollar Campaign Final Status

The final total for the 2024 three-dollar campaign is thirty-seven thousand dollars. We appreciate donations to this fund to help with purchases of food and litter and medical supplies. The cost of these items has increased so much that this supplemental income is truly needed and appreciated. We thank everyone who donated. Thanks for your help.

The 2025 three-dollar campaign will begin April 1st. This is such an easy fund raiser for us to manage and is not labor intensive. To participate, you simply send your donation to the post office box listed on the last page of the newsletter or on our website through Just Giving. On Just Giving you can use your credit card to make the donation. You can give any amount you desire, and we will appreciate your help. Usually with this fund raiser, we send acknowledgement letters for all donations greater than twenty dollars. However, we will gladly send letters for any amount less than twenty dollars, if requested.

Acknowledge Donations from Giving Tuesday

Our supporters certainly answered our request for donations on Giving Tuesday. Unfortunately, our request for donations on Giving Tuesday was not in the September newsletter because of timing. We have a very generous supporter who offered to make matching donations for contribution on that date. We sent an email to everyone on our email distribution list and made a post on our Facebook page about this offer. Your response was unbelievable. The total was a few dollars short of twenty thousand dollars. We were so thrilled with the response. It was beyond what we expected. We have sent an email thank you to everyone on the list of donors. We truly appreciate your participation in this effort and are forever grateful.

A New Purchase

Our surgical laser had decided that it was tired and needed to be repaired. To have it repaired, it would have to be shipped back to the factory at an expensive

shipping expense. At the same time, we received an offer from the same company where we had purchased our current laser. They had Black Friday specials with a large trade-in of the old laser and an additional two years of warranty on the new laser. After much thought and calculations, we decided to purchase a new laser. With the new laser, repair is handled in-house rather than having to be shipped to the factory. The new laser has been delivered and is working great. With The wonderful donations this Christmas, we were able to purchase the laser and pay for it without depleting the general fund.

Cats' Christmas Wish List Outcomes

Donations to the general funds totaled eighty-two thousand dollars this year. This is in addition to the Giving Friday donations. We really appreciate your generosity which is so important to our mission of helping homeless or unwanted cats to have a better life here and in their adoptive homes. Thank you!!

We received additions to our emergency fund of one thousand dollars. This year we used this fund to help three cat owners who could not afford the medical treatments that their cats needed to survive. We are so grateful to those of you who contribute to this fund and allow The Tenth Life to help people and cats in need.

We desperately need more volunteers to care for the non-medical needs of the cats, such as cleaning rooms and providing food and water. It only takes about two hours a week to make a huge difference for the cats. They repay you with purrs, warm laps, and lots of rubbing. Please consider helping in this way. Simply call to offer your assistance. The number is on the back of this newsletter.

The next request was for donations of supplies. Your support of this effort really helps with expenses and time-consuming shopping. As always you were very generous and donated paper towels, wipes, canned food, bleach, litter, pine cleaner, distilled water, postage stamps, brooms, etc. Thanks for thinking of the cats and donating supplies.

We have one new sponsor this year from the Christmas list. That kitty feels very special having a new friend to help it. We can still use more sponsors as there are many cats that do not have that special someone to help support them. Please consider being a sponsor.

The start of a fund for a new surgical table received six thousand dollars. We will continue to add to this fund as donations are received. Of course, we will be watching for sales or special offers for surgery tables. Thanks for your continued support of our needs. Your support makes The Tenth Life a haven for cats.

Request for Baked Goods for the Christmas Sale

Our devoted baker, who started us on having a bake sale nearly thirty years ago, and now lives in Tennessee, was not able to bake any goodies this year due to health problems. We sent an email to everyone on our email list and posted on Facebook that we really needed bakers to donate baked goods for the Christmas bake sale. The response was more than we could ever have imagined. The baked goods just kept coming in. We received eighty-seven varieties of delicious home-made goodies. The variety was unreal and our customers were so impressed. We do not price the baked goods. The customers make their selections and give a donation based on their view of a fair price. Everyone was so generous that we earned nearly three thousand dollars from the bake sale. That is the best profit we have ever earned from a bake sale. Of course, with that large of a selection, we were guaranteed of making great money for the cats. We are so grateful for the support from the bakers and the customers that made this a huge sale.

Annual Flower and Plant Sale

The order blank for the 2025 plant sale is included in this newsletter. With the cold weather it is hard to believe it is time to begin thinking about your plant needs for the spring of 2025. The plants will again be provided by Furst Florist and Garden Center. They have always supplied the plants for the sale and are always the best plants available. Last year we sold over thirty-seven

thousand dollars of plants. They were so beautiful, and the cost was competitive with other nurseries. They are not big box store plants, but rather are the highest quality, healthiest plants you can find. Please be sure to plan to buy your plants from The Tenth Life and tell everyone you know about the sale. Although the last sale was fantastic, we would love to do even better this year. Please help us by telling your friends and relatives about the fantastic plants. We will have the same great selection as in past years. There will be annual bedding plants of many varieties, hanging baskets, flowering pots, patio pots, perennials, herbs, and vegetables. We will need your order blanks with payment by **March 15th**. If you cannot meet this date, we will, of course, take your order any time. **Please do not ever feel that it is too late to order.** We ask for early orders to qualify for the early-order discount offered by Furst. This allows us to keep our prices lower to help our customers. We will always amend our order to accommodate your needs and wants. If you want plants that are not listed on the order blank, simply add them. If Furst has the plants, or can get them, we will have them for you. If you prefer, you can call us, we will check with Furst on the availability, and get back to you with the information. The new pickup plan that we instituted three years ago helped with the traffic congestion that we sometimes experienced. **If your last name begins with A to J, please come on Tuesday, May 6th between 4:00pm and 7:00pm. For last names K to Z please plan to come on Wednesday May 7th between 4:00pm and 7:00pm.** We hope this plan will continue to help with the congestion and make life easier for everyone. **If neither of these days work for your schedule, you can come any of the following evenings during those hours or on the weekend.** The hours will be the same for each week night after that. The hours on Saturday will be 10:30am – 5:00pm and on Sunday from 10:30 – 5:00pm. Please only come during these hours so that we may assist you with your order. Many orders may look alike but may not be yours, and you could wreak havoc with our order system. We will be expecting your order. For those looking for extra plants, please remember that if you cannot find the plants that you want, let us know and we will gladly procure more plants from Furst. We want to sell as many plants as possible to help the cats and meet our customers' needs and desires. See you there.

If you would like to volunteer to help with the plant sale, we can always use more help. The plants are delivered on May 5th. After the plants have all arrived, we inventory the delivery and then start filling over two hundred orders. We can use help with these activities. By the end of Monday, all orders are accumulated and marked. On Tuesday morning, we begin checking the orders to make sure they were filled properly. As we all tire out during the day, it is easy to make mistakes when filling the orders. We correct any errors found to satisfy our customers. Beginning at 4:00pm on Tuesday, customers begin picking up their orders. We need help with getting peoples' order identified and carried to their cars and helping those who want to purchase plants from the extras.

2025 Lasagna Dinner and Auction

We are already beginning the planning for the 2025 lasagna dinner and auction. The location will be the same as 2024. It is the American Legion Hall 598 at 5700 Kentshire Road in Kettering, approximately two blocks from the intersection of Whipp and Bigger Roads. This venue worked very well for us last year, and many of our supporters commented how much they liked the location and the layout. It seemed to work very well for the event. We are planning on moving the event back to August and have tentatively set it for August 10th. It will again be a Sunday event. The menu will remain the same.

There will be a huge selection of silent auction items. The times will remain the same 2:00–6:00pm with the preview beginning at 1:00pm. The admission fee will again be fifteen dollars which includes the meal and your ability to bid on auction items. It will include the delicious lasagna dinner, provided by Belmont Catering, including salad, bread sticks, dessert, and coffee or tea. It will be a fun-filled afternoon with a delicious meal and a wide variety of merchandise for your bidding pleasure. Hope to see you there. More information will follow in future newsletters.

We are beginning to accept donations of new or gently-used items of all types for the auction. They can

be brought to The Tenth Life during the hours of operation shown on the back of this newsletter. Cat-oriented items are always the favorites, but all types of merchandise sell. The Tenth Life is known for offering a gigantic variety of items for your bidding pleasure. We love having a huge selection of jewelry and purses as these are favorites of our customers. This is the favorite fund-raiser of our supporters.

Easter Pie Sale

We will again offer the delicious Mehaffies pies for Easter. The price is eleven dollars for the regular pies and twelve dollars for the special pies which are all the flavors that they sell. If you want any of the special pies please write them in on the order blank. Please see the order blank which is included in this newsletter for the flavors of regular pies. We need your order blank with payment by **April 5th**, and the pies will be available for pick up on **April 19th** from 10:00am to 5:00pm. This is the day before Easter. You can have a great variety of pies, without any work, for your holiday dinner. In addition, you will be contributing funds to the cats of The Tenth Life. Please remember to send in your order blank by the due date.

Easter Bake Sale

On the same day as the pie pick up, **April 19th**, we will have our annual Easter bake sale. We usually have at least twenty varieties of baked goods for your Easter entertaining. We anticipate needing your help again with baked goods. Your response in December was so fantastic, we are asking for your help again. As always, customers make their selections, and then make a donation based on their idea of a fair price. Our supporters are always very generous with their donations, and we really appreciate it. The baked goods are always delicious, and you will not be tied to the kitchen with preparation of baked goods. This is another example of a way that you win twice. You do not have to spend your precious time baking, and you are helping the cats. See you at the bake sale. The hours are 10:00am-5:00pm. If you would like to bake for the sale, your items can be

brought to The Tenth Life from 3:00-6:00pm on Friday or after 10:00am on Saturday morning. Thank you for helping.

Dorothy Lane Market Good Neighbor Program

For everyone who shops at Dorothy Lane Market, they have a program that you can register as a supporter of The Tenth life and have your purchases count toward a donation that Dorothy Lane Market makes to The Tenth Life. For your purchase to count, you must purchase at least one thousand dollars during the year. **You must register each year as a supporter.** When you make your purchases, be sure to scan your Club Card. For your convenience, you can register on line at www.dorothylane.com/goodneighbor. The Tenth Life received nearly a thousand dollars from this program in 2024. The more people that join and participate in this program, the more funding The Tenth Life receives.

Kroger Community Rewards Program

Kroger also has a rewards program for their customers to provide help to charities. Simply register your rewards card as a supporter of The Tenth Life and have your card scanned when you shop. Kroger sends a check each quarter to The Tenth Life which is about eleven hundred dollars. What a generous amount that does not require work on our part or yours! Please help in this way if you shop at Kroger. The registration takes only a few minutes.

Monthly Supply Donations

The supplies shown below are those that we use on a daily basis. Any can be donated in any month. They will be greatly appreciated and save the cats funds for other important needs. They can be brought to The Tenth Life during our hours of operation.

January	Paper Towels
February	Wipes (Clorox, Lysol, Sam's, etc.)
March	Distilled Water

April	Brooms
May	Paper Towels
June	Bleach
July	Pine Cleaner
August	Friskies, Iams, Fancy Feast Canned Food
September	Paper Towels
October	Wipes (Clorox, Lysol, Sam's, etc.)
November	Bleach
December	Postage Stamps

Past Fund Raisers

The first fund raiser after the last newsletter was the lasagna dinner and auction. Although the dinner and auction was a success, the income from it was lower than the previous year. The profit in 2023 was slightly over thirty thousand dollars; however the 2024 income was marginally over twenty-seven thousand dollars. This is a huge sum of funds, but a little disappointing to earn less than the previous year. We feel that there were several reasons for this decrease. The first was canceling the scheduled date of August 18th as a result of Bergamo raising the rental rate by over seventy percent. We then had to find another venue which delayed the event to October due to the lateness of our scheduling and their calendar being mostly booked. We are very grateful to the Legion that we could schedule a date with them. The second reason for the decreased funds was that many people did not bring their auction items due to the uncertainty of our being able to locate a venue in 2024 at such a late date. As the date had already been announced for Bergamo, some supporters' schedules were already booked for the new date. We also had the difficulty of providing the new date to our supporters who receive the newsletter by mail not email. We were able to notify those on the email distribution list immediately as soon as the new venue and date were set; however, the only way to notify those on the mailing list would have been to send out another newsletter at the cost of about a thousand dollars, which is the cost for printing and mailing each newsletter. To try to reach a few more people, we did have the Dayton newspaper, in their Focus section, announce the new date and time. Of course, many people no longer receive the newspaper,

but it was an effort to reach a few more supporters. We had hoped to be able to send out the newsletter in early September to give people more notice of the change, but we ran into some scheduling problems with our attempt. The newsletter was finally distributed in the third week of September, which allowed very little notice to everyone. We apologize for all of these inconveniences and short notices, but we tried our best to provide the information as early as possible. We feel very fortunate to have had the attendance and participation that we had and are very grateful to our supporters. To those of you who donated, attended, and helped, we are truly grateful.

The next event was the Yellow Springs Street Fair. The attendance and weather cooperated, and earnings were eleven hundred dollars, which is a profitable day. However, trying to register on line was difficult with some hiccups in their application system. In addition, traffic is always difficult and parking to setup and tear – down is even harder to manipulate. This year the committee implemented a new traffic pattern that made set-up and tear-down even harder and slower. For these reasons, we are considering discontinuing our participation in Street Fair. We have not made the final decision, but wanted to alert you to the possibility.

The next fund raiser was the Thanksgiving pie sale of Mehaffies pies. As always the sales were great and the pies were delicious. We sold over one hundred pies and made a profit of three hundred and sixty dollars. We thank Mehaffies for the great pies and our customers for their purchases.

Next, was the holiday greenery and plant sale and the first bazaar. All the greenery and plants were so aromatic and gorgeous and came from Furst. Everything sold, and we made a profit of over twelve hundred dollars. The first bazaar was also very profitable and enjoyable. We had good attendance and the supporters were very generous. We earned two thousand dollars and enjoyed our visits with our supporters.

This year we decided to forego the pictures with Santa as the time and effort expended by the volunteers who worked the event was not worth the effort. One of the couples, who had worked this for the last two years,

offered to donate a thousand dollars if we did not do the pictures this year. Of course, we were delighted with the offer and did not do the event.

On December 21st, we held the Christmas pie pickup, the holiday bake sale, and the second bazaar. We sold nearly one hundred pies at a profit of about three hundred dollars. As we previously discussed, the bake sale was an unbelievable success with the donations from all the wonderful bakers who contributed baked goods. Making three thousand dollars from our bake sale was so impressive. The bake sale was certainly the highlight of the day. In addition, the bazaar sales provided another fifteen hundred dollars of income. We thank everyone who contributed baked goods and craft items for the events.

Current Fund Raisers

Our penny fund is still ongoing. Please save pennies or any change for the cats. There is no need to wrap

Please continue shopping at Dorothy Lane Markets and Kroger. If you have registered with these stores as a supporter of The Tenth Life, your purchases will contribute to the amount that these stores donate to The Tenth Life. If you have not registered as a supporter of the cats, but do shop at either of these stores, please consider registering as a supporter.

We have a nice selection of short (\$20.00) and long-sleeve (\$25.00) t-shirts, polo shirts (\$25.00) and sweatshirts (\$40.00). Sizes are S/M/L/XL/XXL&XXXL. Of course we do not have every size in every color.

We have crocheted catnip mice, fish, turtles, octopi, snakes, and tacos (\$5.00), small and large balls (\$3.00) and catnip door hangers (a crocheted ball on the end of a crocheted hanger) (\$6.00). There are also catnip mats (\$10.00), small fleece throws, (\$5.00) and bags of dried catnip (\$3.00). We know your cat will love these toys and play with them for hours.

Pet Hair Magnets (\$15.00), and Furminators (\$35.00) are available for your pet needs. The Pet Hair Magnets

are wonderful for removing pet hair, and the Furninators work wonders for grooming your pet and removing mats.

Our note cards are great for writing your friends or they make excellent gifts for your cat-loving friends. There are ten cards and envelopes for five dollars. The front of the card is a cat face and the inside is blank.

These items make excellent gifts for your cat friends and their people. All of these items are available at The Tenth Life or by mail with the **additional amount below for postage**. We know that you will love all of them for you and your cats.

T-shirts (Long or Short Sleeve)	\$5.00
Polos, Sweatshirts, & Tote Bags	\$5.00
Catnip Toys & Note Cards,	\$4.00
Pet Hair Magnets, Furminators,	\$6.00

Future Fund Raisers

The only fund raiser in the near future is the annual plant sale. Please see the order blank in this newsletter and send your order with payment by March 15th.

Reminders

We appreciate your saving ink cartridges, pennies, coupons, and aluminum for the cats. We redeem the ink cartridges for rewards to purchase office supplies at Staples. The pennies can be wrapped or not. Sending coupons for Fresh Step Litter, cat food, paper towels, toilet paper, wipes (Lysol or Clorox), and facial tissue save dollars when we shop for supplies. The aluminum can be any type of aluminum from drink cans to siding or spouting.. Any of these can be brought to The Tenth Life during our hours of operation. The ink cartridges and coupons can be sent to the post office box.

Hours of Operation:

4:00-7:00pm Monday-Thursday
3:00-6:00pm Friday
10:00am-5:00pm on Saturday
10:00-5:00pm on Sunday

SPAY/NEUTER FACTS

All pets should be surgically spayed/neutered for many reasons. In addition to improved health and behavior resulting from this surgery, you will be doing your part to reduce unwanted pet population. Millions of unwanted animals are euthanized each year because good homes are limited.

Benefits of spaying/neutering

Females

- Prevents signs of heat
- Prevents blood stains on carpet from heat cycle
- Decreases chance of breast tumors
- Eliminates chance of cystic ovaries
- Eliminates chance of uterine infections
- Prevents breast development (if done early)
- No unwanted pregnancies or offspring

Males

- Prostrate cancer incidence decreased
- Testicular disease eliminated
- Decreases desire to roam
- Eliminates odor of tom cat urine
- Decreases aggression
- Prevents spraying and marking
- Eliminates undesirable sexual behavior

- Your pet will NOT get fat or lazy because of this surgery. Diet exercise and heredity have much more influence on the weight and attitude of your pet.
- Surgery is recommended when the pet is about four months of age, but it can be done at any age.
- It is much easier on your pet to be spayed before going through a heat cycle due to the smaller size of the reproductive tract.
- Surgery is performed painlessly while your pet is under general anesthesia. Surgical risk is minimal. Most pets go home the same day. Post-surgical pain is minimal.
